

# Covid-19 Safety Update

FOR COVID-19 INFORMATION, VISIT  
[www.who.int](http://www.who.int)

## Our Team

Our teams follow the same strict safety controls regardless of the level of lockdown, which includes

- The use of face masks and sanitisers
- Social distancing and work from home where possible
- Delivery vehicles and boxes are sanitised

Staff who show symptoms or who have been in contact with a Covid-19 positive individual are not permitted at work and are sent for testing and/or self-quarantine where necessary.

## Our Service

MVW remains committed to providing an excellent service to you during these difficult times.

We understand that most of our customers will have their own safety protocols in place. Our warehouse teams and drivers are aware of this and have been instructed to respect these protocols.

Please keep us informed of any changes to your work hours, that may effect deliveries and let us know if you have any specific queries or concerns.

## Extra Precautions

Due to the adjusted Level 4 Lockdown effective 28 June 2021, we are taking extra precautions to ensure your safety as well as ours.

## Warehouses

With immediate effect, non-MVW staff will only be permitted to enter the MVW offices or warehouses under special circumstances.

Every person on-site will be screened on arrival.

All staff not who do not need to be in office or warehouse to perform their duties will work from home.

## Deliveries

All drivers are issued with face masks and sanitiser

Boxes are sanitised

Vehicles are sanitised

Customers are requested to use their own pens when signing for receipt of deliveries

We have communicated with the courier companies we use and have been assured of their safety protocols
